THE Anti-Imperialists of Boston have prepared to descend on Washington tomorrow to do battle for the independence of the Philippines. Next thing these un-Americans do they will probably move for the independence of Boston. Just now it seems that the Philippines are about as "independent" as Oklahoma.

WHEN the President recalled Uncle Sam's Ambassador to Austro-Hungary, it is evident that he made a mistake in the address of his cablegram. It should have been sent to Mrs. GEORGE WARD NICHOLS STORER instead of to Mr. BELLAMY STORER, for it appears that Mrs. STORER moulds her husband with the same facility that she was wont to fashion ordinary clay into pots and things before she left Cincinnati.

PRESIDENT GOMPERS of the American Federation of Labor holds the Republicans responsible for the failure of the present Congress to enact certain laws supported by Labor Organizations, and says at the next Congressional election these things will be remembered. It was kind of Mr. GOMPERS to notify the country as to what is going to happen, for there are probably a few million voters who do not favor some of the laws that some of the Labor Organizations want passed.

CIVIL SERVICE has worked magnificently in the Cincinnati Postoffice. Only five of the head employes were "fired" at one whack by the Washington authorities because of "irregularities." Mark the word. Under the odious spoils system it would have been called stealing; but, thanks to Civil Service, it's only "irregularity" now.

CHICAGO can always be depended upon to do the unexpected and the unique. To other day her conglomerate citizenship voted the small matter of \$75,000,000 to buy the street railways within the dominions of the Windy City, and at the same election declared their opposition to the city "operating" the street railways. There's a conundrum for you—if the owners of the railways can't operate them, pray who can? And if the city can't operate them, what's the use of the city owning them?

THE latest phase of the Thacker case from Fleming county, set for hearing next week before Judge COCHRAN of the Federal Court at Covington, is the contention of the lawyers for the plaintiff that THACKER was killed with a deadly weapon—that is to say, videlicet, to-wit, namely, a R-o-p-e! The resources of the modern lawyer are almost unlimited; and I suggest that, if they fail to prove that a rope really is a deadly weapon, they proceed at once to indict the tree on which the unfortunate man was hung.

I was considerably amused on the train one day watching a jolly old man who was very bald. In a short time I was aware, as was every one else in the car, that he was furnishing interest, if not amusement, to the little girl sitting just back of him, who remarked in distinctly audible tones: "Mamma, that man has enough room on the back of his head for another face, hasn't he?"

Brick Streets!

OUR COUNCIL is getting PROGRESSIVE and is now going ahead determined to construct modern streets to accommodate the travel of our citizens and those who come within our gates for business and pleasure. Every citizen should rally to the support of this movement. It has been the history of all cities that have put down modern streets that real estate values advanced with their construction. If you have money to invest, or can use your credit for the purpose of obtaining same, I have some INVESTMENTS which will prove money makers if you have the nerve to take advantage of the opportunity. Maysville is bound to forge to the front when these promised improvements are realized. Already property is showing an upward tendency. Now is the time to buy Maysville property, and

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. Board of Trade

The Seventh Annual Meeting of the Maysville Board of Trade was held in the Council Chamber last evening.

The assemblage was made up of the "Old Guard" and representative business men of the city, and what was lacking in numbers was fully made up in spirit and enthusiasm.

The "Home-Coming" Committee made an elaborate report and the time set was June 18th to 20th.

Reports were read and adopted as follows—

SELECTION OF DIRECTORS.

We, your Committee appointed to select suitable names for the Directory of the Board of Trade for the ensuing year, beg leave to report that we would recommend the following named gentlemen for the responsible position—

D. Huchinger, J. H. Russell, W. H. Means, Thomas A. Davis, J. W. Fitzgerald, Verner Dryden, J. Ed. Parker, John Duley, C. M. Phister, George H. Parker, W. W. Wilcox, R. L. Manchester, W. E. Stilloupe, Joseph O'Donnell, Harry Barkley, Godfrey Hunsicker, W. W. Hall, Dr. Edwin Matthews.

Respectfully submitted, M. F. COUGHLIN, MIKE BROWN, J. H. RUSSELL.

AUDITING COMMITTEE.

We, the undersigned members of the Committee appointed to audit the accounts of the Board of Trade and recommend the way in which to raise funds for the promotion of the business interests of the City of Maysville, beg leave to report that we have made a careful examination of the receipts and expenditures during the fiscal year which closes this 5th of April, 1906, and find same to be correct. We herewith submit a condensed statement of the receipts and expenditures. We recommend that immediate action be taken looking to a larger membership in the Board of Trade, and would recommend that the membership fee be placed at \$1. Surely there is no business or professional man in the City of Maysville who is not sufficiently interested to pay this nominal sum for the privilege of working to build up the city from which he derives his principal income. We recommend that a Committee be appointed to secure this membership and that same be published as soon as secured in both the daily papers.

We also recommend that a Committee be appointed to at once take up the matter of raising sufficient funds to liquidate the present indebtedness and leave a sufficient amount for necessary expenditures in advertising and promoting the best interests of Maysville. For this purpose at least \$500 should be raised. There can be no denying the fact that the Board of Trade has done much to develop the business interests of Maysville. We have no doubt but what greater developments can be brought about by its work in the future if properly sustained by the citizens of Maysville. Some of the above fund would be used for the purpose of arranging the program for "Home-Coming Week." No citizen of Maysville will refuse to respond when called upon for the purpose of helping to make "Home-Coming Week" a grand success. Respectfully submitted, J. ED. PARKER, MILLARD MERZ.

Then followed the unanimous re-election of the old officers—

President—John Duley.
Vice-President—Millard Merz.
Secretary and Treasurer—Hal C. Curran.

A committee on membership was appointed, consisting of Morris F. Coughlin, Millard Merz and J. Ed. Parker. Over forty signers were secured in a few minutes.

Secretary Curran, in rounded and well chosen periods and in his own happy style, presented President Duley an elegant umbrella as an earnest of the good fellowship and esteem of the members of the Board of Trade.

Judge Thomas R. Phister also spoke in commendation of the high character and worth of Mr. Duley.

The President in accepting the token returned his thanks and appreciation in a manner such as only Duley can. Some one insinuated that the "Hustler" was a victim of the "Perfume Girl," and he did not deny the soft impeachment. He is not the only one, however.

The following resolution was unanimously adopted—

WHEREAS, The traveling public, and our citizens in particular, are much inconvenienced by the bad condition of the roadway leading from Second street, West, into the Station of the C. and O. Railroad; therefore, be it

Resolved, That the Secretary be instructed to take the matter up with Mr. E. P. Goodwin, Superintendent Cincinnati Division C. and O. Railroad, and General Manager C. E. Doyle of Richmond, Va., and have same made at least passable for vehicles, which now mire in the slime, and a walk for pedestrians, who now must wade through mud from the entrance to the Depot.

A committee of three on Organization was appointed as follows—John J. Altmeyer, Judge Thomas R. Phister and Thomas A. Keith.

The following Soliciting Committee was appointed—Millard Merz, Morris F. Coughlin, M. Brown, Robert B. Owens and Holton Key.

Councilman Thomas M. Russell addressed the meeting and outlined the contemplated brick street improvements and asked the co-operation of the Board of Trade in making it a success. Mr. Oliver Hord made a few "incongruous" remarks on the same line, and in passing threw his hooks into the sides of the newspapermen for casting reflections on the ability or inability

of some one—he did not mention names—who, from his talk, would lead one to believe, was the contract for building the streets in his pocket. The meeting was adjourned to reconvene some time next week.

The great jewelers and most fashionable modistes, to say nothing of the money lenders of Paris, stand to lose heavily by the financial smash of Archduchess Clotilde of Austro-Hungary King Louis Philipe's granddaughter, whose bankruptcy to the tune of \$2,000,000 is lamented.

Cure For The Blues

ONE MEDICINE THAT HAS NEVER FAILED

Health Fully Restored and the Joy of Life Regained.

When a cheerful, brave, light-hearted woman is suddenly plunged into that perfection of misery, the BLUES, it is a sad picture. It is usually this way: "She has been feeling 'out of sorts'."

for some time; head has ached and back also; has slept poorly, been quite nervous, and nearly fainted once or twice; head dizzy, and heart beats very fast; then that bearing-down feeling, and during her periods she is exceedingly despondent. Nothing pleases her. Her doctor says: "Cheer up; you have dyspepsia; you will be all right soon."

But she doesn't get "all right," and hope vanishes; then come the brooding, morbid, melancholy, everlasting BLUES.

Don't wait until your sufferings have driven you to despair, with your nerves all shattered and your courage gone, but take Lydia E. Pinkham's Vegetable Compound. See what it did for Mrs. Rosa Adams, of 819 12th Street, Louisville, Ky., niece of the late General Roger Hanson, C.S.A. She writes:

Dear Mrs. Pinkham: "I cannot tell you with pen and ink what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with female troubles, extreme lassitude, 'the blues,' nervousness and that all-gone feeling. I was advised to try Lydia E. Pinkham's Vegetable Compound, and it not only cured my female derangement, but it has restored me to perfect health and strength. The buoyancy of my younger days has returned, and I do not suffer any longer with despondency, as I did before. I consider Lydia E. Pinkham's Vegetable Compound a boon to sick and suffering women."

If you have some derangement of the female organism write Mrs. Pinkham, Lynn, Mass., for advice.

Suit For Settlement of a Former Maysville Man's Estate

In Louisville a suit has been filed by Mrs. Anna W. Richardson for the settlement and division of the estate of her father, Mr. B. Whitman Wood, formerly of the January & Wood Company of this city.

The plaintiff says that, though it has been two years since her father's death, no settlement has been made by the Executors, Daniel M. Wood, a brother, and Misses Lettie and Carrie Wood, sisters of Mrs. Anna W. Richardson. The property consists mainly of realty, and is believed to be worth about \$300,000, a portion in Chicago being assessed at \$120,000.

Mr. Wood's will provides that the Executors shall have ample time in which to wind up the estate. The property goes equally to the four heirs mentioned and Henry Wood, another son. The share of each is subject to the charge of sums of money advanced by the father. The largest advancement was \$67,000, to Daniel M. Wood.

ITCHING SCALP FALLING HAIR

Came Out Constantly—Hair Finally Had to Be Cut to Save Any—Scalp Now in Good Condition and No More Itching—Another Effective

CURE BY THE CUTICURA REMEDIES

"I will gladly give you all the information concerning my case. I used the Cuticura Soap and Ointment for a diseased scalp, dandruff, and constant falling of hair. Finally I had to cut my hair to save any at all. Just at that time I read about the Cuticura Remedies. Once every week I shampooed my hair with the Cuticura Soap, and I used the Ointment twice a week. In two months' time my hair was long enough to do up in French twist. That is now five years ago, and I have a lovely head of hair. The length is six inches below my waist line, my scalp is in very good condition, and no more dandruff or itching of the scalp. I used other remedies that were recommended to me as good, but with no results. If you wish to publish any of what I have written you, you are welcome to do so. I am, respectfully, Mrs. W. F. Griess, Clay Center, Neb., Oct. 23, 1905."

CHILDREN

If You Have Any Ailing Ones This Will Interest You.

"We see so many little boys and girls about town who are weak, thin-legged and hollow-cheeked," said Mr. Pecor, our well known druggist, "it seems a shame to allow them to remain so for they will grow up into weak, sickly and nervous men and women, without the vitality to work or enjoy life.

"If," continued Mr. Pecor, "the fathers and mothers of such children would believe what we say of Vinol, we would see a great difference in the appearance of the younger generation of this city. You know Vinol is not a patent medicine, and is just the tonic growing children need. It will make for them good, healthy flesh, sound bone, hard muscle, and rich, red blood.

"True, Vinol is a cod liver oil preparation, but it does not contain a drop of oil, or any bad tasting feature. It is so delicious that all children love it, yet it actually does contain all the medicinal curative elements found in fresh cod's livers, and is the most wholesome and best medicine for children we ever sold.

"It is because we know what Vinol will do that we guarantee if it fails to make your children well, rugged and rosy, to refund your money."

MURPHYSVILLE.

Beautiful spring weather.
Miss Della Rhodes is on the sick list.
Our popular miller is doing a thriving business.
The smoke of burning tobacco beds is abroad in the land.
It is thought that the early fruit is all killed in this section.
Several from here attended County Court in Maysville Monday.
Mr. and Mrs. Scott Stevenson were shopping in Maysville Tuesday.
Colonel James Burton was a County Court visitor in Maysville Monday.
Mrs. Margaret Rhodes was visiting her daughter, Mrs. Bettie Hitt, Tuesday.
Mr. Emery Tucker has sold and delivered his crop of tobacco to John Johnson of Maysville.

A great deal of wool has been engaged about here at the Republican price of 32 cents a pound. James Cole is improving his newly purchased property near town by building a substantial fence.

We are pleased to note that our popular merchant, Tom Crawford, has about recovered from his recent tussle with the grip.

A large and sorrowing concourse of friends followed the remains of L. H. Cole to the beautiful Cemetery at Shannon Monday, where an appropriate address was delivered by Brother Eckler.

FEARIS.

Everybody is wondering if bad weather is over.

Sugar water runs now and we can get some tree "lasses."

The wheat and grass seem to be up, if the farmers are behind.

Mr. Leedom of Manchester was here Monday buying tobacco.

Charley Mefford of Foxport has moved to the James Hook property.

Farmers went to work Monday sowing oats and tobacco seed in the mud.

The new Oddfellows Building at Trinity is now under way and the frame work is being rapidly put up.

Rev. Sturgill of East Maysville preached here Sunday evening instead of the third Sunday at 7 p. m. He talked from the text—Luke, 7th chapter, and 26th to 33rd verses. He said the subject was a new one to him. However, that subject or act of the sinner woman with the alabaster box of costly ointment, will stand out as an act of love and faith far above the majority of Church members of today, and it's just so with any other text you may select in the Bible—the majority are away behind the standard of faith and love for one another.

BOGGS.

Farmers are busting this pretty weather.
Joe Hitt killed a mad dog which passed through here last Thursday.

Mr. Scott Craycraft has purchased the farm of J. D. Walker, consisting of 20 acres.

Mrs. Hattie Tully continues critically ill. Dr. T. J. Winder of Maysville is attending her.

L. D. Walker has purchased the Robert Trinit farm and expects to move to it next week.

A United States Marshal was here last week and summoned H. Hitt to Covington as a witness in the United States Court.

Charles McNutt, while returning from Maysville Monday night, being heavily intoxicated, fell over a bridge, badly injuring himself and mare.

Mr. and Mrs. John C. Boyd are entertaining a nine pound daughter—Margaret Christine—who made her advent in their home Tuesday morning, the 3d inst.

Mr. John T. Dodd was in Flemingsburg Wednesday before the Penalen Board of Examiners. R. Edwin Boggs was elected Delegate to represent Ebenezer Presbyterian Church at Ebenezer Presbytery, which convenes in Flemingsburg next Tuesday.

The following officers were elected in Ebenezer Sunday-school last Sunday—R. Edwin Boggs, Superintendent, Omar Boggs, Assistant Superintendent, M. O. Foudray, Secretary and Treasurer, Ethel McNutt, Librarian.

In may interest Maysville people just now to give a quotation from a letter just received from Topeka, Kansas: "Brick paving has been in use in some of our streets for 18 years and has not cost a dollar for repairs."

Mrs. Julia McClure, aged 67, died suddenly Sunday night. She attended services Sunday morning at Ebenezer Presbyterian Church, of which she was a faithful member, did the usual daily duties and retired in her normal health. The funeral services were conducted at Ebenezer Church Tuesday by Rev. Dr. Whitfield, and the interment was in Ebenezer Cemetery.

Mildred Boyd, aged 7 years and 6 months, daughter of J. C. Boyd of this place, died Thursday night, March 29th, of appendicitis, at the home of her aunt, Mrs. Belle Teagor, near Daierburg, in Fleming county. The remains were brought here Saturday and laid to rest in Ebenezer Cemetery, after an appropriate service conducted by Rev. A. L. Whitfield. It was very sad that death should snatch this little one from the innocence and pleasures of childhood life, yet it is certain that she has escaped the great burdens and anxieties and sorrows of this world, and the purity of her childhood was only typical of that greater blessedness beyond the grave, which is here now and forever more.

Mr. and Mrs. E. S. Edgington of Clifton have moved to Lexington.

The aged Mrs. Thomas Farley is seriously ill at her home in Fifth street.

Mr. Thomas Farley of Huntington is at the bedside of his mother, whose condition is critical.

WORK THAT TELLS.

Plenty of It Has Been Done Right Here in Maysville.

Cures that last are cures that tell. To thoroughly know the virtues of a medicine you must investigate the cures and see if they prove permanent. Doan's Kidney Pills stand this test, and plenty of proof exists right here in Maysville. People who testified years ago to relief from backache, kidney and urinary disorders, now declare that relief was permanent and the cure perfect. How can any Maysville sufferer longer doubt the evidence?

C. L. Hinnbarr, employed in Cablish's grocery, Cox Building, and living at 325 West Third street, Maysville, Ky., says:

"As I stated in a testimonial given in 1900, Doan's Kidney Pills brought me positive relief from inflammation of the bladder and a disturbed action of the kidneys. After some time I felt a slight return of the trouble but again used Doan's Kidney Pills and again found complete relief. Now, after nearly five years I feel able to recommend Doan's Kidney Pills with even greater confidence than before. The results of its use in my case have been very satisfactory. I got the remedy at J. Jas. Wood & Son's Drug-store."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
